

QUOTE FOR THE DELIVERY OF LECTURE IN ENGLISH TO PHD STUDENTS

This is in response to the announcement regarding the submission of quote for the expected gross salary for 1 didactic hour of conducting classes in English from the Subject Specialist Lectures for PhD students in the period March – June 2021 under the ZIREG project of Bialystok University of Technology.

Please find below the required documents and quote on the above subject:

- 1) Curriculum Vitae (CV) – *attached separately*.
- 2) Quotation: *Gross salary for 1 hour of lecture - PLN 500 per hour.*
- 3) Lecture topics are as follows:

The lectures will provide current PhD students with essential knowledge in the area of research methodology, professional ethics in the job market, power systems and electricity market.

Lectures will cover both review and in-depth discussion related to research methodology, professional ethics, renewable energy and electricity market.

In order to realize a more meaningful and cross-cutting impact across all disciplines of study, the following topics are provided. Final topics can be mutually agreed based on the relevance, general interest and discipline of the PhD students:

A. General topics:

1. Human values and professional ethics
2. How to excel at workplace
3. Education and happiness
4. Developing a scientific research proposal
5. Research and carrying out literature review
6. Formulating research problems & research questions

B. Core engineering topics:

1. Feed-in tariff and electricity market
2. Review of power system and its components.
3. Introduction to power and energy sector in Bhutan and the electricity market.
4. Hydropower in Bhutan
